

§ 301.6501(i)-1 Foreign tax carrybacks; taxable years beginning after December 31, 1957.

With respect to taxable years beginning after December 31, 1957, a deficiency attributable to the application to the taxpayer of a carryback under section 904(d) (relating to carryback and carryover of excess foreign taxes), may be assessed at any time before the expiration of 1 year after the expiration of the period within which a deficiency may be assessed for the taxable year of the excess taxes described in section 904(d) which result in such carryback.

§ 301.6501(j)-1 Investment credit carryback; taxable years ending after December 31, 1961.

With respect to taxable years ending after December 31, 1961, a deficiency attributable to the application to the taxpayer of an investment credit carryback may be assessed at any time before the expiration of the period within which a deficiency for the taxable year of the unused investment credit which results in such carryback may be assessed, or, with respect to any portion of an investment credit carryback from a taxable year attributable to a net operating loss or capital loss carryback from a subsequent taxable year, at any time before the expiration of the period within which a deficiency for such subsequent taxable year may be assessed. For purposes of this section a deficiency shall include a deficiency which may be assessed pursuant to the provisions of section 6213(b)(2), but only those arising with respect to applications for tentative carryback adjustments filed after November 2, 1966.

§ 301.6501(m)-1 Tentative carryback adjustment assessment period.

(a) *Period of limitation after tentative carryback adjustment.* (1) Under section 6501(m), in a case where an amount has been applied, credited, or refunded under section 6411, by reason of a net operating loss carryback, a capital loss carryback, an investment credit carryback, or a work incentive program credit carryback to a prior taxable year, the period described in sec-

tion 6501(a) of the Code for assessing a deficiency for such prior taxable year is extended to include the period described in section 6501 (h), (j), or (o), whichever is applicable; except that the amount which may be assessed solely by reason of section 6501(m) may not exceed the amount so applied, credited, or refunded under section 6411, reduced by any amount which may be assessed solely by reason of section 6501 (h), (j), or (o), as the case may be.

(2) The application of this paragraph may be illustrated by the following example:

Example. Assume that M Corporation, which claims an unused investment credit of \$50,000 for the calendar year 1968, files an application under section 6411 of the Code for an adjustment of its tax for 1965, and receives a refund of \$50,000 in 1969. In 1971, it is determined that the amount of the unused investment credit for 1968 is \$30,000 rather than \$50,000. Moreover, it is determined that M Corporation would have owed \$40,000 of additional tax for 1965 if it had properly reported certain income which it failed to include in its 1965 return. Assuming that M Corporation filed its 1968 return on March 15, 1969, and that the 3-year period described in section 6501(a) has not been extended, the period prescribed in section 6501(j) for assessing the excessive amount refunded, \$20,000 (*i.e.*, \$50,000, original amount refunded less \$30,000, correct amount of unused investment credit), does not expire until March 15, 1972, and \$20,000 may be assessed on or before such date under section 6501(j). Under section 6501(m), M Corporation may be assessed on or before March 15, 1972, an amount not in excess of \$30,000 (\$50,000, the amount refunded under section 6411, minus \$20,000, the amount which may be assessed solely by reason of section 6501 (j)).

(b) *Effective date.* The provisions of paragraph (a) of this section apply only with respect to applications under section 6411 filed after November 2, 1966.

§ 301.6501(n)-1 Special rules for chapter 42 and similar taxes.

(a) *Return filed by private foundation, plan, trust, or other organization.* (1) A return filed by a private foundation, plan, trust, or other organization (as the case may be) with respect to any act giving rise to a tax imposed by chapter 42 (other than a tax imposed by section 4940), or by section 4975 shall be considered, for purposes of section 6501,
